B.J. Keane, P.E. is a Project Manager in the Construction Division of Gundaker Commercial Group, Inc. (GCG), emphasizing in the management function of multi-family and land development projects throughout the St. Louis Metro and Metro East areas. With more than seven years of experience within the construction industry, B.J. brings a wealth of knowledge in field engineering, site surveying and contract administration. His project management skills are essential to the development of GCG's land and multi-family construction portfolio.

Prior to joining GCG, BJ worked as a Highway Construction Engineer for the St. Charles County Highway Department. His relationships with local, state and federal entities allowed him to excel in the completion of several replacement and improvement projects throughout St. Charles County. B.J. also worked on highway and site design projects for the Page Extension, lending his expertise to drainage, signaling, signing, lighting and I.T.S. issues.

BJ is a graduate of the University of Missouri – Columbia with an honors degree in Civil Engineering. He is an active member of the Engineer's Club of St. Louis.
