

Professional Profile

providing innovative solutions for real estate users

Pamela Spehn
Advisor - Brokerage

Pamela Spehn is an Advisor with Gundaker Commercial Group, Inc. (GCG). With more than 20 years experience in real estate, she has a wealth of knowledge in both residential and commercial sales. Pam and her team members, Jim Green and Dave Wuenscher and specialize in listing, selling and leasing commercial property and land.

Since receiving her real estate license in the mid-80's, Pam has a successful track record as a residential real estate agent in both Missouri and Illinois. In 1987, Pam joined the marketing department of the Gordon A. Gundaker Real Estate Company, now known as Coldwell Banker Gundaker. During her 17 years with the company, she served as coordinator of print media and participated in the development and design of corporate and agent marketing materials and in the recruitment of new sales associates.

Prior to joining Gundaker, Pam had a successful career in sales with both the Belleville News Democrat and the St. Louis Globe Democrat. Her expertise in St. Louis area media allows her to utilize her knowledge to market properties and her team extensively.

In addition to holding Missouri and Illinois Real Estate licenses, Pam is a member of the St. Louis Association of Realtors. She is a past member of the Sales and Marketing Committee for the Home Builders Association of St. Louis, the Leukemia Lymphoma Society Patients Services Committee, the Belleville Jaycees and the Looking Glass Playhouse.
